

# Hollywood Feed

Dear potential **Community Partner**,

Much like our Rescue Partners Program, the Community Partners Program was developed to strengthen our ties with our community beyond the rescue group circuit. Many of the Community Partners with whom we work are pet-related groups, businesses, or programs but do not necessarily house, rescue, or adopt-out animals. Our Community Partners might be search & rescue teams, animal awareness groups, fundraising groups, animal medical care groups, and more.

Our mission with the Community Partners is to create a mutually beneficial relationship between Hollywood Feed and our Partners; which includes in-store events, off-site events, social media cross-promotions, and donation baskets for fundraisers. Groups who wish to become Community Partners must be able to commit to hosting and or partnering on **two to four events each year**. Groups who apply for the Community Partners program will be determined based on the needs of the Hollywood Feed store location with which they wish to partner, our partnership potential, and your work in the community.

Please fill out the form in the link below. Your group does not need to be a 501c3 Non-Profit to apply, but we are looking for groups who play a positive and active role in the community.

[Click Here for Community Partner Application](#)

Each application will be carefully reviewed and considered. Please allow 10-15 business days for review of your application. Once an application is approved, you will receive an approval email with a copy of your application attached as well as the approved partnering Hollywood Feed location. Hollywood Feed LLC reserves the right to deny any application and revoke any approval.

We look forward to hearing from you!

Sincerely,

Your Local Feed Team
