

Hollywood Feed

Dear potential **Rescue Partner**,

We are proud to support our rescue and pet community through the Hollywood Feed Rescue Partners program! Through this mutually beneficial program, we provide a place for you to host adoption days on a regular schedule, collect donations, and partner on events and sponsorships. In return, we look for groups whose work is in line with our mission to provide a lifetime of love, health, care, and comfort, and who share this mission through a partnership with us and our combined community connections.

Groups who wish to become Rescue Partners must be able to commit to hosting and or partnering on **six to twelve events each year**. These days may be combined between approved Hollywood Feed locations and offsite Hollywood Feed approved events. If your group is unable to commit to adoption events for any reason, please ask one of our Feed Team members about becoming a Community Partner!

To ensure that we share the same values and standards, we require all nonprofit rescue groups to apply for Partnership through our online link.

Each application will be carefully reviewed and considered. Please allow 10-15 business days for review of your application. Once an application is approved, you will receive an approval email with a copy of your application attached as well as the approved partnering Hollywood Feed location. Hollywood Feed LLC reserves the right to deny any application and revoke any approval.

We look forward to hearing from you!

Sincerely,

Your Local Feed Team
